

# Calendar 16 pages

This is to give you a visual help in how your calendar project could be layouted when choosing 16 pages.

However, you are absolutely free in your design choices for your calendar pages.

## Data Submission

Please submit a multipage .PDF-file with all 16 pages in chronological order, please do not send as spreads. Pages require 0.1875" bleed on all sides.

Correct page orientation is extremely important to avoid nasty surprises.
